For info and file.		

1. We are currently undertaking a review of the colleagues of SANITZER in the Stapo-Stalle Section IV 2 in Vienna, and Section IV-2 Berlin, in order to determine which ones are known to be working for the various intelligence services, both east and west (see ref. 2). In reference 1 you mention that you understand former Kriminalrat Horst KORKOW, chief of IV 2, Berlin, to be working for the British. Do you have any further information on his present employment and its nature?

2. We should also be interested in any information you may happen to have on other ex-IV 2 types.
